

9th Grade Fieldtrip
Allegheny County Jail / Allegheny County Court House Tours

Dear Parent/Guardian,

On Tuesday, June 3rd and Wednesday, June 4th the 9th grade class will be touring the Allegheny County Jail and Courthouse as part of our interdisciplinary drug unit this term.

Your son or daughter will be assigned to a group of students with teacher chaperones and they will be going by bus. On both days the students will not receive lunch and they will be dismissed from school at approximately 12:30 P.M. Groups will alternate visits between the two days.

Please make sure your child is dressed according to the school's dress code. Ladies make sure you do not wear any revealing clothes, like low tops or short skirts because we will be visible to the male population at the jail. If a student's dress is deemed inappropriate, they will remain at school and not participate. Furthermore, judges of the court have banished students for entering their court room for wearing shorts. It is imperative that your child dresses in within the school's dress code. (Shorts notwithstanding)

Any questions in regards to trip, please call Mr. Antonucci @ 412-682-1816 x131

Thank you for your support all year!

9th Grade Teachers
