It's winding down to the end of our deployment quickly and we are anxious to go home. By the time you receive this letter we will probably be back stateside with our loved ones and friends enjoying some much needed time off.

I just wanted to take this opportunity to say thank you for all the hard work you put into giving support and encouragement to myself and soldiers like me all across the world. It's because of great people like you soldiers like myself can carry our mission with a great degree of confidence. I am the kind of person who remembers both the good and bad things in life and goodness you have shown us is something that will definitely be remembered. So on behalf on the 206th ASMC, I would like to say thank you.

Sincerely,
Sgt. Tokay King
